

## AN ACCOUNT WHICH GIVES YOU A THOUSAND POSSIBILITIES...

### Transfers

Send payments at the lightspeed, no matter if it is in fiat or crypto-currencies. Easy and instant.

### Invoices

Request payments for products and services. Your customer pays in any currency. You receive in the currency of your choice.

### Exchange

Investing or protecting against losses during a sudden drop? At any time, convert funds between crypto and fiat currencies.

### CapCodes

CapCodes are electronic vouchers that hold any amount worth of crypto or fiat currencies, and may be shared or redeemed.

### CapPay

Icing on the cake, CapPay is a payment gateway built on the top of Capital. Accept crypto-currencies on your physical store or e-commerce, and receive in the currency of your choice!

Now, rewriting the prices after a market drop or rise are in the past!

**AND THAT'S NOT ALL!**

Access [www.capitula.com](http://www.capitula.com), create your account and enjoy our fully-working platform!

## WITH YOUR HELP, WE CAN DO MORE!

### CapCard

Capital users will be provided with a prepaid credit card to spend or withdraw their funds in physical stores and e-commerces. Bringing crypto-currencies to the real world.

### B2B Escrow

Worried about scam attempts? We'll keep your transaction on-hold, safely, and release the funds as soon as you say that everything is ok.

### CapShop

Want a place to sell products and services? With CapShop, you create your e-commerce without any line of code! Oh, and it accepts crypto-currencies.

### POS Machines

Want to start accepting crypto-currencies on your physical store, but don't know how to start? With Capital POS, you can manage your store and receive in crypto-currencies from a single machine!

### Decentralized Administration

CapToken holders have a voice! From the Holders Dashboard, you can issue a new idea and other holders may vote and discuss on it. If it receives enough votes, it will become reality.

Read more about our decentralized administration on our whitepaper.

## WE CAN DO EVEN MORE!

Read our Whitepaper and stay aware of the entire project!
